Dear Loos and Co.

24 June 2021

On behalf of the members of the Danielson Veterans Coffee House, I would like to thank you for your monetary donation of five hundred dollars for our Coffee House. It is a pleasure to receive letters and donations such as this one from you.

Our organization is public service orientated. Upon completing military service, our members wish to continue service within our community and to other veterans. Your thoughtfulness reiterates the feelings of accomplishments we wish to convey.

Please accept our heartfelt thank you. This will be put into great use in doing what we all wish to accomplish.

Sincerely

Fred Ruhlemann
President,
