Dear Tom,

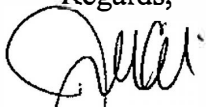

"Although the life of a person is in a land full of thorns and weeds, there is always a space in which the good seed can grow. You have to trust God."
- Pope Francis

More than a year after the pandemic began, we continue to see large numbers of families who rely on our services. Since January, 300 new households have signed up for the Food Pantry.

Thanks to the Community Development Block Grant administered by the City of Norwich, residents of Norwich receive extra food through the Food Pantry. We have distributed chicken, lunch meat, pancake mix, peanut butter, and more. This grant has benefitted 774 families in just two months.

Thank you so much for your donation of \$500.00 donated as part of your incentive for employees to get vaccinated. It helps create more space in which good seeds can grow in the lives of those in need. We are truly grateful for your support.

Regards,

Jill Corbin
